RON JON STORY

IT WAS 1959 and on the New Jersey shore a bright young man named Ron DiMenna was just discovering the sport of surfing with fiberglass surfboards. His pastime soon became a passion and homemade surboards would no longer do. When his father heard that Ron wanted his own custom surfboard from California, he suggested, "Buy three, sell two at a profit, then yours will be free." Dad was right and Ron Jon Surf Shop was born.

The "Original" Ron Jon Surf Shop opened in Long Beach Island, New Jersey in 1961. Ron sold surfboards out of that tiny Jersey shore shop and supplied former customers with surfboards to open their own surf shops on the East Coast. When he headed to Florida two years later and opened the "One of a Kind" Ron Jon Surf Shop in Cocoa Beach, he sold even more.

Today, Ron Jon Surf Shop has grown into a world famous surfing Mecca and is now coast-to-coast with locations in New Jersey, Florida and California. Visited by surf and beach lovers from around the globe, Ron Jon Surf Shop is recognized world-wide as an icon of the surf and beach lifestyle.
